BENEFITS OF COCONUT EXTRACT & THE SCENT OF A TROPICAL BREEZE

Kudos Coastal is enriched with the widely favoured coconut extract raising this collection one step above your everyday skin and hair care range.

Coconut extract has a range of skin-loving benefits with its antibacterial and anti-inflammatory properties plus it works on all skin types to protect and hydrate.

Fast absorbing and deeply nourishing Kudos Coastal helps impart moisture to where it's needed most with a deliciously addictive tropical fragrance.

This beach inspired exotic fragrance has the blissful top notes of vanilla and coconut on a woody base of orange blossom. Escape with Kudos Coastal.

A full-page photograph of a surfer riding a large, vibrant green wave. The surfer is positioned on the right side of the wave, leaning forward. The wave is breaking, creating a large plume of white spray. The water is a deep, clear green color. The sky is a pale, clear blue. The overall scene is dynamic and energetic.
